

Potential Expense Reduction Ideas

1. **Reduce the SAF contribution to the Signal**
Currently the SAF pays for \$800 of every Signal edition printing. Reduce the amount to \$400.
Potential Savings: \$11,500
2. **Freeze new Capital Equipment expenditures**
Potential Savings: \$8,000
3. **Reduce the number of Loop Bus trips**
Reduce the number of trips that the Loop bus makes or alternate weeks.
Potential Savings: \$10,000
4. **Fully Base Budget CUB and SG Legacy Events**
Reduce variability of expenses of events that have taken place on campus for 3 consecutive years.
Potential Savings: To be determined
5. **Reduce Certain Programmatic Expenses**
Reduce events such as CUB Alt shows, CUB bus trips, and finals fest.
Potential Savings: To be determined
6. **Collaborative Programming**
Student groups can share certain events that have similar missions.
Potential Savings: To be determined
